

# RentalPro

## Latest UI Walkthrough

Covers the newest UI changes: the full-page photo login with a translucent card, the softer horizontal top navigation, the property map feature, and the Harare demo data (properties, clients and Admin Abdur-Rahmaan Ali). Screenshots were taken live from the running app for every role (Admin, Property Owner/Manager, Maintenance Staff, Tenant).

# Home / Login

A city skyline photo fills the whole page, with the RentalPro name top-left and a translucent login card in the centre.

# Portfolio Dashboard (Admin)

Landing screen after login, signed in as Admin Abdur-Rahmaan Ali. A horizontal top bar with a soft blue-to-burgundy gradient holds the brand, role badge, tabs, and account controls in one row.
